PROFESSIONAL EXPERIENCE

Color Reference Code Technologies, Inc. 2023–Current
Data Analyst / Software Engineer

- Develop secure, offline-capable digital identification infrastructure for identity registration and verification.
- Design and analyze enrollment metrics and operational performance data to evaluate reliability, scalability, and deployment outcomes.
- Presented technical test cases and pilot results at the Infopoverty World Conference, demonstrating interoperability with United Nations frameworks and alignment with international digital identity standards.

Karen Burke Research Foundation 2024–Present
Research Assistant

- Conduct data collection and statistical analysis in SAS for dermatological and clinical research.
- Contribute to research publications, maintain structured research databases, and support data validation and reporting workflows.

MIT Media Lab 2019–2023
Software Engineer / Data Analyst

- Built data pipelines and analytical frameworks to derive behavioral and lifestyle markers from digital user data for a health technology startup hosted by the MIT Media Lab.
- Analyzed habit patterns, engagement signals, and longitudinal trends to generate digital biomarkers used to personalize intervention strategies.
- Developed an MVP with a recursive reward system, user-generated content, and digital reward redemption; later contributed to the early development of the Leap 1000 educational platform.

Diplomatic and Society Review 2023
Consultant / Translator

- Provided Japanese translation, drafted contracts and agreements, and advised technology clients entering the United States market.

ADDITIONAL EXPERIENCE

YUUZ Beverage Company | *Founder / Operator* 2022–Present
Founded and operate a yuzu beverage company; secured FDA authorizations and manage branding, production, wholesale distribution, and pop-up sales.

MK Communications | *Editor / Translator* 2019–2022
Edited manuscripts, reviewed translations, and supported client-facing editorial workflows for a Japanese publishing and translation firm.

Martha's Table | *Volunteer* 2018–2019
Volunteered weekly in community food service and clothing distribution programs serving the greater Washington, DC area.
